***Presidents message:***

*By Dennis Watts*

The year is almost over, and as we finish up 2014, there are a few fun events still to come. But before I get into the fun stuff I want to make sure that everybody is aware of the change to the library show that we had planned in December.

The library approached us with "an opening" at the West Sahara library. Then they moved us to the Summerlin library, but the show was still in December. Well guess what, they were talking about December 2015. We (Jan Schaeffer and I) assumed that an "opening" for a library show was in 2014, not 2015.

I want to make sure that everyone knows how grateful we are for being offered additional shows from the library, it's only a little frustrating that there could be such a disconnect in our expectation versus theirs. So I ask that are members be patient, and please forgive your board, and the people at the library, for the confusion.

Next, we have two openings on the board. Gloria and Alison have stepped down. I want to thank them for all of their service to the Guild and wish them well in their future endeavors. If anyone is interested in becoming a board member, please let me know. Being a board member is more than, a free membership, and free dinner once a month, it's about the future of our Guild and truly supporting Art and Artists.
