EVENTS

EXCITING EVENT AT THE MONTE CARLO

OUR TENTS ARE READY...

We have ten tents, being shared with each other, that will create our part of the outdoor show.

CCAG is the only art guild asked to participate in this western themed fun experience. There will be music, chili cook offs, and other things happening during the 10 day event being held near the main entrance of the hotel.

This wonderful opportunity is in conjunction with the National Finals Rodeo during that time. A western, southwest cowboy theme is requested. Dress western. WOW! How exciting can it get CCAG?

OUR PUBLIC SERVICE interests are forming and a agenda and program for children at the Centennial Library was discussed. at the meeting. 1-8th grade. Teaching, displaying. Possibly for February, 2010. Call Pat Caspary for more details. 658-8132

Carol Urban: The Artist's Brush

I was born and raised in northern Kentucky. My love of art was inherited from my mother who was also an artist. While growing up, I entered art contests and won several prizes for my work.

After moving to California, I attended University of California where I earned several degrees and became a teacher. While teaching, I enrolled in a special program taught by Mona Roberts called "MonArt." I taught the directed drawing class for many years. I also took lessons in the painting of portraits, oil painting, watercolor, and pastels. I became a member of the "Spring Mountain Art Association" and established the "Centennial Hills Art Association" and joined the CCAG a year and a half ago.

I have had artwork displayed at the Charleston Heights Art Center, the Twin Lakes Art Gallery and the Valley of Fire State Park. I have also participated in various art shows in Las Vegas.

My art work is taken from scenes gathered from around the world in my travels with my husband, Karl.

Clark County Artists Guild was founded in the summer of 2008. The main purpose of the guild is to find places to exhibit our artwork. When artists work as a group, we can accomplish many things; we exchange ideas, collectively use our experience and contacts to find new venues to display our artwork. Working together, we create synergy and learn from each other as we exchange methodology and enjoy the friendly interchange among the members.

For more information, feel free to contact members or the board of directors.
