**Program Speaker – Jim Lake**

We are in for a special treat. Our program speaker for the July 18<sup>th</sup> meeting will be Jim Lake, who is one of our current members. Jim Lake has an extensive body of work, primarily utilizing watercolor, gouache, pencil and ink drawings. His subjects include; eagles, birds, buffalo, bears, lions, landscape, American Indians and a variety of other animals and items. Jim Lake has also included many of his ink drawings in his book entitled, “Remember ... When You Had a Real Pal?”, which he wrote and illustrated. Jim has a special way of depicting animals with almost human-like characteristics, which you will notice when you study the eyes of his animals. This will be a great opportunity to enjoy and learn from one of our fantastic artists. We hope you will join us for this special event.
