Message From the President:

The summer heat can make it difficult to get out and create art. So while we're all locked in our air-conditioned house it's a good time to put together 5-6 pictures of your art to add it to the website. That's right, the website is moving forward. With the diligent work of Chuck Jones, we are very close to having a functioning website. So go through your computers, cell phones, and memory cards. Find five or six good images and send them along with a short artist bio to Chuck. In fact, you can send them to any member on the board, and we will forward them along. I'm available to help if you need your art photographed, or just have questions.

Next...Our first major event is the "Art in the Park" show that we are co-sponsoring with the Veterans Transition Resource Center. Part of our charter is to work with other charitable organizations and promote art in Las Vegas. This event truly meets the spirit of our charter. And also it benefits our members by providing a very cost-effective opportunity to display and sell your art. As with most large events there's going to be a lot of coordination needed. So are asking our members to keep an eye out for extra grids, tables, or canopies. Please reach out to the board if you have any of these items that you could lend to the group for the weekend of the show. A board member or committee person will handle all of the pick up and return responsibilities.

Lastly I'm going to ask all of the members for your help. We need speakers and presenters for our general membership meetings. If you know someone that you believe would be a great speaker and presenter, let us know. We will be happy to reach out to that person and make all the arrangements.
