President's Message

Once again, I would like to thank Jim Lake for a great inspirational presentation. I hope everyone enjoyed it.

Let's all welcome William Fox, a new member of the Guild and Carol Urban, a returning member. So glad to have you. Welcome.

The Members Appreciation Picnic is right around the corner. CCAG will provide hamburgers, hotdogs, buns and condiments. At the August member meeting, we will have a sign-up sheet for potluck side dishes. I am not sure if alcohol is allowed at the park. We will have bottled waters but you are welcome to bring your own ice chest of drinks that you like. The park has a horse shoe pit and a volleyball court, For those who would like to play, you just need to bring horse shoes and a volleyball. We will be raffling throughout the day some really great prizes. Tickets will on sale – 1 for \$10 / 2 for \$14 / 3 for \$18.

On October 6,7 and 8 – we are planning a field trip to Tropic, UT. After 90 days or more of 100 degree temperatures, it will be a refreshing change and it is also a great time to see some fall colors. A sign-up sheet will be available for those interested.

Hope to see everyone at the picnic.

Kathy Baxter

Program Speaker – Regina Vinicky

This month's program speaker for our August 22nd meeting will be Regina Vinicky, who is one of our new and very talented artists. She creates art using different mediums, which is a challenge that she enjoys facing regardless of what type of material she will be using. For this presentation, Regina will focus on leather artwork - unfortunately, much as she would like to present a live demo, she won't have the leather materials needed for a full demo, but will have examples to show. Regina also enjoys painting and sculpting. Regina says "all her art has inspired her and continues to inspire her". She is the type of artist who is always looking for new ideas to create artwork. This is another great opportunity to enjoy and learn from one of our fantastic artists. We hope you will join us for this special event.

Artist of the Month – Chieko Amadon

Chieko has been painting and drawing for most of her life. She has taught art classes in California and Nevada and continues to do so today. Her artwork takes many forms, from classic painting with pastel, oil and watercolor on paper and canvas to painting on rocks, wood, metal, glass and anything that might be interesting.

At the heart of her art is a keen creative sense. For example, she can find a rock with a given shape and then she will paint something which bring the rock to life and gives it a special character. She paints on glass ornament for Christmas, She paints rocks and gives them to children. She can take a piece of paper and fold it into a bird, utilizing the “origami” art of folding paper. Even her presentation for an art show will have a unique background setting created to show her artwork.

If you walk into her classroom area, you immediately are surrounded by the artistic ambience, which make you feel you are really in the presence of an artist. Chieko lives and breathes art. She is a true artist.

Her artwork has earned many prizes both locally and nationally. She has earned the highest distinction with the Clark County Artists Guild with the Lifetime Achievement Award.
